Wentworth High School

All sponsored money goes to one of 5 charities that you can choose from.

The Dance 0'clock Marathon is a sponsored dance event where if you choose to sign up, you should get your friends to sponsor you to dance to songs that will be selected for you, when you enter your information in the on-screen Danceometer. The Danceometer asks you questions about your fitness levels and music preferences in order to find the right tracks for you and make you a personal play list. Speak to your head of year for more information about signing up or about the charities you can sponsor.

So get your dancing shoes on and sign up for the Dance 0'clock event today!
