Headteacher: Mrs H L Aaron B Ed (Hons), MA, NPQH

21st September 2011

Dear Parents/Carers

I am writing to you to introduce myself as Chair of the Interim Executive Board of Wentworth High School. The Board was appointed last term and is responsible for the governance of the school at present.

One of our first tasks was to appoint a substantive Headteacher and we were delighted that Mrs Aaron has taken up the position on a permanent basis.

One of our other priorities is to set up a "shadow Governing Body" which will work alongside the IEB in preparation for picking up the responsibilities of governance next year.

Parents and carers are very important members of governing bodies and we hope that a number will come forward to serve on the shadow group and help their child's school.

The school is in good heart and achieved its best ever exam results in the summer. While there is much to do there is a lot that the school community can be proud of.

If you think you might be able to support your child's school by serving as a Governor, we would be delighted to hear from you and talk about what it entails. You can contact me and other Board members through the school and I will be in school on Thursday evening when parents of prospective pupils are invited. I would be very happy to meet you then.

With best wishes

Hazel Harding  
Chair of Interim Executive Board
